Dear Sir:

I and my wife would like to be excluded from "The Class". We only own 3 shares and since the distribution would be 8 cents per share less atty fees we are not interested in being included in the class action suit. Therefore I am including the requested information for exclusion.

1. Ronald W. Wallace + Patricia G. Wallace
500 Hillside Drive, Fairfield, Iowa 52556
Phone 641-472-4753
2. I have owned shares of Armes, Inc since 1992 and have made no purchases or sales of stock since that time. These 3 shares are now AK Steel. To my knowledge I did not purchase these 3 shares so it must have been a spin off from another company.
3. We wish to be excluded from the class

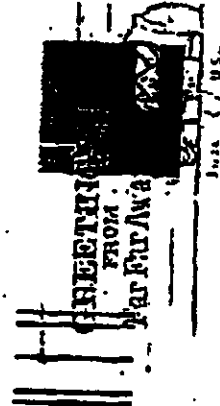

Thank you.

May 22, 2004

Once again I am advising you that our son David B. Royer is deceased as of Aug 31, 1996. He had come home in July 1994, jobless and in ill health.

I never found his one share of Armcostock nor any record of it.

I do not want to go through the red tape of getting it because I am 88.

Could the stock be given to any charitable Armcost Group? You have my permission to do this or to dispose of it in some way.

Thank you
